

Conflict Mineral Statement

Conflict Minerals or Dodd-Frank Wall Street Reform and Consumer Protection Act in 2010: Section 1502.

Eastern Seals (UK) Ltd undertake due diligence to determine whether conflict minerals are used in our products.

Conflict minerals are Gold (Au), Tantalum (Ta), Tungsten (W) and Tin (Sn) sourced from the Democratic Republic of Congo or adjoining countries from mines controlled by non-governmental military groups.

As part of our process we review our supply base and request direct confirmation from Suppliers that items we purchase do not contain conflict minerals.

We can confirm that there is no indication that any products supplied by Eastern Seals (UK) Ltd. contain conflict minerals.

Signed
